Sir:

Applicants hereby call the attention of the Patent Office to the prior art document listed on the attached form PTO-1449. These references were cited in an International Search Report issued in connection with a corresponding international application. A copy of the Search Report is enclosed.

Applicants present this document so that the Patent Office may, in the first instance, determine any relevancy thereof to the presently claimed invention, see Beckman Instruments, Inc. v. Chemtronics, Inc., 439 F.2d 1369, 1380, 165 USPQ 355, 364 (5th Cir. 1970). Applicants respectfully request that this document be expressly considered during the prosecution of this application and made of record herein and appear among the "References Cited" on any patent to issue herefrom.

If any fee is necessary, it may be charged to the undersigned's deposit account number 19-4375.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Thomas P. Pavelko', with a long horizontal line extending to the right.
